Congress of the United States

House of Representatives

December 21, 2017

Ms. Cathy Stepp
Epa Region 5 Administrator
Environmental Protection Agency
77 West Jackson Boulevard
Chicago, IL 60604-3511

Dear Ms. Stepp,

I am writing to inform you that I plan to move forward with a public meeting concerning the status of investigations by Federal Agencies into alleged violations by Greif Company and its subsidiaries.

Thank you for you Environmental Protection Agency's (EPA) efforts to ensure that 4th Congressional District constituents and I are regularly updated on the status of the investigation into Greif Company. I am writing to formally invite you or your staff to participate in two public meetings I am hosting on January 27, 2018.

The first meeting will be held at St. Francis High School from 10:00 AM to 11:30 AM. The second will be held at Villard Square Library from 1:00 PM to 2:30 PM. The event format will provide each agency present the opportunity to discuss their role, to the extent possible, provide information on the status of any investigations and to answer questions from interested citizens.

In addition to requesting EPA's participation, I have also requested the participation of the Occupational Safety and Health Administration and the Department of Transportation's Pipeline and Hazardous Materials Safety Administration, agencies which you may know, are also currently conducting investigations. Please contact my office (414) 297-1140 to speak with my Deputy District Director, Dan Hereth, to discuss any questions you may have.

I appreciate your efforts on behalf of my constituents.

Sincerely,

Gwen Moore
Member of Congress
